

**ATTENTION.....ATTENTION.....ATTENTION.....ATTENTION**

**CITY OF ST. CHARLES  
FIRE HYDRANT MAINTENANCE**

The City of St. Charles Water Department is implementing a new fire hydrant flushing schedule. The schedule will be as follows:

April 22 thru 25, 2013 between 8:00 a.m. and 4:00 p.m.

Please do not wash clothes during this time as the water system sometimes builds up iron deposits. If your water appears “rusty” please flush outside faucets by letting the water run for 15 minutes.

Thank you for your cooperation.
